I am Maanan Abokomah Fosu. A Bachelor of Arts degree in Law at the Kwame Nkrumah University of Science and Technology (KNUST).

I was a proud beneficiary of the Educational Pathways International (EPI) scholarship while in school. EPI gave me a full scholarship and I'm forever grateful to them. Aside the financial aid granted me by the scholarship, an avenue was also created for me to be a part of a wonderful family. I acquired various life lessons and skills from our monthly meetings.

Indeed, the EPI scholarship scheme ensures a holistic development of its beneficiaries and grants us the requisite poise to face the world outside school. EPI has trained me well to face the corporate world and become a better Lawyer in future.

In life, I wish to make a positive impact in the lives of people by encouraging them to believe in their abilities and capabilities. And defending the underprivileged and needy through better legal support as a Lawyer. I want people to have hope even in hopeless situations.
